At 70+ I started taking piano lessons and ordered Levels One, Two and Three of the Alfred's Basic Adult All-in-One Piano Courses. Because the books include theory and technique pages it helps one to understand the basic concepts of music. The books have really helped me to advance in my lessons at a faster pace. Purchasing all three at once has saved me money as compared to purchasing the books at a music store.

For adults and older children I use John Thompson's MODERN COURSE FOR PIANO. I often supplement this with John Clough's SCALES, INTERVALS, KEYS, TRIADS, AND METER. I advise those of my students interested in jazz and rock music to use Jeff Burns's PENTATONIC SCALES FOR THE JAZZ-ROCK KEYBOARDIST.

How much would the cost be for two adults to stay for a

A basic adult ticket for one park for the whole day is \$85. You do get a small price break for multi-day passes. You can add park hopper to that (you can go to multiple parks) or the water park option to the base ticket for \$52. I suggest you do neither of these things. You can stay at the same park all day and not do everything there, and water parks aren't much fun in the winter.

I'm an adult but my family treats me like a child

So, I'm almost 22 years old.. I live with my 24-year old boyfriend who works full-time (he has a good job so he is able to support us both without me working). I go to school full-time and when I'm at home, I do 99% of the cooking and cleaning. My family still treats me like a complete child. My mom especially treats me like one
