The Schuessler cell salts may be seen as special raw
materials for the body, which you need more of if you run
out of what you normally have. A "salt" is any type of
readily dissolvable mineral combination, not just table salt.
Many people take dietary iron supplements, but few would
chew on a rusty nail for an iron source.

Cell Salts balance the mineral in the body and help the
body's utilization of the mineral from concentrations in the
blood and minerals from food and supplements. Cell Salts

are safe for those with digestive problems. Cell Salts do not have binders and since they dissolve in the mouth they do not need to be broken down in the stomach.
