First aid USMLE for NBDE part 1 PLEASE HELP Student

I used First Aid USMLE Part I to study for NBDE I and I think it was a GREAT resource. The best combination I found useful was study First Aid USMLE first for review, do dental decks, and then study released exam questions. When studying released exam questions, make sure you understand why the correct answer is correct AND why the wrong answers are wrong. My buddy and I studied it this way and he got the highest score in the class and I got the fifth highest score.
