The Glass Castle A Memoir Jeannette Walls 9780743247542

The Glass Castle is a remarkable memoir of resilience and redemption, and a revelatory look into a family at once deeply dysfunctional and uniquely vibrant. When sober, Jeannette's brilliant and charismatic father captured his children's imagination, teaching them physics, geology, and how to embrace life fearlessly. But when he drank, he was dishonest and destructive. Her mother was a free spirit who abhorred the idea of domesticity and didn't want the responsibility of raising a family.

The Glass Castle by by Jeannette Walls Summary and reviews

The Glass Castle falls short of being art, but it's a very good memoir. At one point, describing her early literary tastes, Walls mentions that "my favorite books all involved people dealing with hardships." And she has succeeded in doing what most writers set out to do -- to write the kind of book they themselves most want to read.
