### **ISO 9001 What is it Who needs Certification and Why**

ISO 9001:2008 is a quality management system, not a general management system. While ISO does actually provide general management systems that help document, organize and define how a business will run its overall operations (such as ISO 26000), these systems are rarely a requirement for certain types of commerce as ISO 9001:2008 often is.
